

Draft Agenda
2017 Quagga and Zebra Mussel Water Agency Summit
February 16-17, 2017
Lake Murray, San Diego

Purpose

The Summit provides a venue for the California Department of Fish and Wildlife (CDFW), water managers, and local agencies to share new information and tools to prevent the introduction of quagga and zebra mussels (mussels) into California's waterbodies. The Summit will also provide an opportunity for participants to share information on existing programs, troubleshoot issues, and network.
